

## WSCSMBA – League Division Structure 2011-12

I have this season now received 38 entries for the Winter League 2011-12 which is three more than last year. Monday Rollers from the North East of the county and Norfolk BC and Southbourne SMBC both from the South West of the County.

As can be seen above, the three new teams comprise of two from the South West and one from the North East. With thirty eight teams and Six Divisions it would appear logical to structure the League as follows: CW1 and CW2 remain as Six Teams each – SW1 and SW2 increase to each have Seven teams and NE1 and NE2 can now both have six teams.

In accordance with League Rules governing promotion and relegation and any requirement to equalise divisions, at the Management Committee Meeting on 16 May, 11 it was agreed that the League would be structured as follows:
